Login/Register/Account Settings

Login

A mockup of a login form within a browser window. The browser window has a grey header bar with three small circles on the left. The main content area is white. In the center, there is a light grey rectangular box containing the login form. The form has a large, bold, dark grey heading "Log In". Below the heading, the text "or" is followed by a blue, underlined link "register an account". There are two input fields: the first is labeled "Email" in bold dark grey text, and the second is labeled "Password" in bold dark grey text. Below the password field, there is a blue, underlined link "forgot password?". At the bottom of the form is a solid blue rectangular button with the text "Log In" in white.

My Progress

The graph displays three data series: Variable 1 (orange), Variable 2 (purple), and Variable 3 (blue). Variable 1 starts at a low level, rises to a peak, and then falls. Variable 2 starts at a low level and rises steadily. Variable 3 starts at a high level and falls steadily.

Variable	Start	Peak	Trough	End
Variable 1	Low	High	Low	Medium
Variable 2	Low	Medium	None	High
Variable 3	High	None	Low	Low
